

Resources for Hurricane Katrina Evacuees in the Memphis Shelby County Area

The Memphis and Shelby County Health Department has compiled this list of health related services as a resource for individuals that have come into this community as a result of Hurricane Katrina.

SERVICES AVAILABLE INCLUDED BUT NOT LIMITED TO THE FOLLOWING:

CRISIS CENTER:

Call 901-274-7477 for assistance, 24 hrs a day/7 days a week

FAMILY PLANNING

Anyone interested in receiving Family Planning Services call 901-544-7547 during normal business hours.

IMMUNIZATIONS and WIC SERVICES:

Anyone needing immunizations or WIC services can go to any of the public health clinics.

They will be asked for ID, proof of insurance if possible, and proof of residency. No one will be turned away due to not having insurance information. WIC services are available at the following locations and it is suggested to **call before** going to clinic site to assure services are available that day:

PHARMACEUTICAL ASSISTANCE:

- Any area **Walgreen's Pharmacy** will provide a FREE 30 day supply of some prescription medications for evacuees. You will need to show valid ID. Medications that are covered are those for serious or chronic health conditions (heart, blood pressure, thyroid, kidney, liver meds, insulin for diabetics, etc.). If you had a prescription filled and paid for by your insurance company, this prescription can be refilled at Walgreen's through their computer system. Go to any local pharmacy for assistance or call 1-800-WALGREENS.
- **Church Health Center** has opened a pharmacy for evacuees at 1196 Peabody Avenue. 10am-4pm Mon-Fri. All prescriptions filled free-of-charge with donated medications, subject to availability. If you do not have a prescription, a physician must first see you. To see a physician, contact the Church Health Center Walk-in Clinic at 901-272-0003.
